THE BEAR FACTS

Volume XI Weds., March 28, 1984 Issue 7

Students this year at the Boone Campus of DMACC include this quartet of young men

from out of state who hope to play football at Iowa State University. Left to right they are

Anthony Mayze, Derrik Sperling, Jeffery Braswell and Jerry Quick.

Eyes on the Cyclones

.. You'd pick them out of crowd and especially the crowd at the Boone Campus.

.. You often see them together and then there's the matter to their size.

.. A quartet of young men, all but one, from outside the Midwest are among the students at DMACC this year. Their goal is to play football at Iowa State University after they finish their studies here.

.. Alphabetically they are Jeffery Braswell, Anthony Mayze, Derrik Sperling and Jerry Quick.

.. Jeff is from Riviera Beach, Fla. He has attended Independence (Kans.) Community

College, Northeastern Oklahoma and Ellsworth Community College in Iowa Falls.

.. He is a linebacker and hopes to contribute to the strong defensive unit the Cyclones are building.

.. Anthony is a native of Wichita Falls, Texas. He's a defensive back and has played for Oklahoma State University and Hutchison (Kans.) Community College.

.. He's a strong candidate to come in and take a starting position. He was one of the top players ISU recruited this year.

.. Derrik is from Long Island, N.Y.

.. He has played for Arizona State University

and Scottsdale (Ariz.) Community College.

.. He is a tailback. He is one of the premier running backs in the nation. He was the National Junior College Athletic Association leading rusher in 1983. He's also a likely starter in the offensive unit at ISU.

.. Jerry is from Anthony, Kans.

.. He has played at the University of Kansas and Butler County Community College.

.. He is an offensive lineman. It is said of him that his is pretty fast for a big man. He is the only junior college offensive lineman ISU recruited this year. He is in a good position to start in the offensive line.

Opinion

Pickin' the flicks

By MANDY McLAUGHLIN

.. FOOTLOOSE

.. This is a good show to see on a rowdy Saturday night. It is an action packed all-around fun movie with a terrific sound track. The story centers around a high school senior who moves to a town that doesn't permit dancing or rock music. So, he sets out to change the law, meanwhile, falling for the preacher's rebellious daughter. Kevin Bacon plays the big city kid that's new to town. This movie is rated PG due to some nudity and adult language ●●●●

Unfaithfully Yours

.. Dudley Moore fans...he's done it again. this film is about a famous conductor who suspects his young bride of having an affair with his protege. This May-December couple goes through many misunderstandings before they finally come up with the answer. This film shows the talents of Armand Assante and Nastassia Kinski. It has PG rating but doesn't really earn it. ●●●●

.. BLAME IT ON RIO

.. This is an interesting movie with an odd plot. It's a fun in the sun flick with scenery that makes its viewers long for summer. The odd plot revolves around two fathers and their daughters who vacation in Rio. The odd comes in when one daughter has an affair with the other's father. Michael Cane plays the 'dirty old man' who has to deal with his conflicting passion and guilt. Rated R due to nudity. ●●●

Forget it ★

Only if bored ★★

Worth a look ★★★

Good movie ★★★★

Don't miss this one ★★★★★

By TOM JOHNSTON

Footloose

.. The story is about a big city lad who fights a small Utah town and its conservative laws against dancing. Good performances from dynamic Kevin Bacon, John Lithgow and a strong supporting cast. However, there is a lot of unnecessary stuff too. A male version of "Flashdance." The rock music is good but, I've seen this youth-rebellion story too often. Rated PG for language, hints of sex, male nudity, some fights. ●●●●

Blame It On Rio

.. They better blame this mistake on someone. .. Rate R for tons of female nudity. ●

The Bear Facts

THE BEAR FACTS is the official student publication of the Boone Campus of the Des Moines Area Community College. The staff welcomes suggestions and contributions, which should be submitted to the editor. The newspaper is published nine times a year and is distributed free to the students, staff and friends of the school.

.. REPORTERS: Brian Bertini, Mike Garvey, Mandy McLaughlin, Jana Myers, Jerry Quick and Tom Johnston.

ADVISOR: H. James Potter.

Ankeny newspaper published once again

.. The Chronicle, the student newspaper which serves the DMACC Ankeny and Urban campuses, is once again being published. The first issued was distributed earlier this month. The newspaper had been suspended at the end of last year. The following is an editorial from the recent edition.

.. The Chronicle staff and their adviser wish to dedicate the first issue of The Chronicle to the former staff and their adviser, Owana McLester-Greenfield, whose dedication to journalism has been the guiding light in the new staff's efforts to create an equally commendable newspaper.

.. Most of the present staff is new. The burgeoning staff of editors, managers, reporters, ad reps and photographers is approximately 30 students strong. Most of the staff works off campus as well as being full or part-time students.

.. The adviser, Joyce Hall, cartoonist Nick Hornyak, illustrator Kyle Simmons, production manager Dave Penrod, art director Mark Shaw, and paste-up manager Katherine Dick, contributed their talents to the new Chronicle look.

.. Although half of the desired staff positions have been filled, the following are still available; paste-up artists, illustrators, photographers, reporters, bookkeeper, distribution manager, ad copywriters, ad layout artists, ad reps, secretaries, managing editor and assistant copy editor.

.. Staff members have the option of earning up to three credits of independent study in the field of their interest. Credits are earned by practicing your skills on assigned or volunteered practicum assignments for The Chronicle in one of the aforementioned open positions.

.. This experience is good training to move on to a four-year degree. And it looks good on the resume.

.. If you want to join The Chronicle staff stop by Bldg. 6, Rm. 14 and talk to Joyce Hall, the adviser.

.. Thanks for helping to get The Chronicle off to a good start go to Merrill Rees, Diane Messersmith (library), Bob Long, Dale Hartzell and staff (custodial), Larry Weese and Scott Hartman (security), and Nilus Ihle (physical plant).

Scholarship available

Applications are now being taken in the Financial Aid Office, bldg. 1 for the ABWA-Silver Satellite Chapt. scholarship.

.. Any female student, with average academic standing, who is seeking a professional career

is eligible to apply.

.. Application deadlines are April 8 (summer) and June 8 (fall).

.. Recipients will be notified by May 1 for summer and July 1 for fall.

Get in shape for corporate cup relays

.. Again this year a team from DMACC will enter the Corporate Cup Relays, sponsored by the Drake Relays Committee, April 21.

.. The relays, held at the Drake Stadium, include various team events that range from 200 meters up to 5K and 10K distance events.

.. But you don't need to be an accomplished runner to get involved said Chris Schreurs, campus recreation. 'We have several people on our campuses who are in good shape who can run the shorter distances and others who can handle the longer ones.'

.. And if you are definitely not a runner, volunteers are also needed to help with the

'mechanics' of the relays, such as time keepers.

.. An organizational meeting is scheduled Thurs., Mar. 8, 3 p.m., bldg. 5, rm. 25 for those interested in participating.

.. If you are unable to attend the meeting, but interested in participation, call Paige at ext. 555.

DMACC-Boone Campus acknowledged its role as a member of the Boone community last month when students attended the inauguration of the new president of the Boone Chamber of Commerce. Students are, left to right, Don Catus, Shelly Sams, Maggie Boles and Coby Newbold. Also attending, but not pictured are Terri Ruhde, John Courter and Tom Winske.

Bears bow out of season 84-83

By Brian Bertini

.. The Boone Bears played a tough game and almost pulled out the victory over Clarinda losing by a single digit, 84-83. The Bears were led in scoring by Jay Sawyer's 28 points, 10 rebounds, and 5 blocked shots in an excellent effort. Alan Abrahamson added 23 points, followed by Alan Slight's 21, plus 10 rebounds. Mike Hoffman and Jim Kennedy combined for 29 points in a fine effort. The whole team played well and balanced scoring was evident of the contribution by all members. .. The Bears close out the season 8-18 overall, and 8-15 in the Iowa Juco conference.

Immunizations available

.. Students at DMACC-Boone Campus can take advantage of a free immunization clinic Friday, April 13.

.. Gertrude Schaltze, school nurse, will be at the school to administer measles-rubella vaccine to any student, faculty or staff

member who needs it.

.. Schaltze says that if you had the vaccine before you were 15 months of age you should be reimmunized. She will be set up in the library conference room.

Rec Club happenings

Boone rec students go aboard

Louann Ahrens

..On April 9, 1984, Boone Recreation students will travel to Fort Dodge for the 1984 IPRA Conference. They will be staying at the Starlite Motel from April 9 to 11.

..The theme of this year's Conference is 'Come Aboard in '84'. While staying there they will be attending a variety of student meetings and educational sessions.

..They will also have a chance to tour the exhibition hall, meet other recreation students throughout Iowa, meet many important people in the field of recreation, and have the opportunity to recreate themselves.

..Some of the activities they will have an opportunity to participate in are: the cash bar, an awards banquet, a party put on by

Boone-Ankeny Rec Club and UNI, an auction, the conference party and other activities.

..One activity that is occurring for the first time is IPRA U.S.S. Starlite Olympics, where two teams from Boone and Ankeny will participate in seven out of ten events. They will be competing against other school teams in: electronic games, pitch, golf putting, pool dive, electronic darts, foosball, limbo, softball throw, cribbage, and the talent search. Winners of each event will have the opportunity to qualify for the 1984 summer olympic tryouts, also gold, silver and bronze medals will be given out.

..The Rec students anticipate this being the best year yet, and they will be trying their hardest to make it that way!

Spring spirit party at Ankeny

By Jana Myers

..The DMACC Rec club sure knew how to kick things off this spring at the Campus. The Rec club in Ankeny sponsored a 'Spring Spirit Party'.

..The party was held at Ankeny on Thursday, March 8th at a bar with a peculiar name, 'Bruno's'.

..At this fun-filled party, the Ankeny-Boone Rec club gave away prizes to rec students doing various skits. There were about 35 Boone Rec students at Bruno's. Rec Club director, Bill Alley commented, 'Everybody had a really good time.'

IPRA basketball tournament

By LouAnn Ahrens

..On March 17 and 18th the Rec club held the class 'B' basketball tournament. 8:00 Saturday morning was the start of the competition with 17 teams from all around Iowa participating. Nine games were played on Saturday with one game going into double-overtime, and two others being high scoring games of 117-65, and 113-59. The last game was played at 7:30 pm.

..Sunday morning saw the games get underway at 9:00 am with the winners of the previous day. Seven games were played, narrowing it down to the top two teams to play for the championship. Getting there was

tiresome and long with one game going into double-overtime.

..The championship game started at 4:45 and lasted over an hour.

..Winning the tournament was Kooyman Brakart from Pella, and the runner-up was Dan's Jewelry from Clinton. Trophies were awarded to the top two teams.

..During these games several Boone students and three Ankeny students helped Bill Alley and Marilyn McGinty run tickets, foodstand, and ran score and clock. These students were Ron Johnson, Paul Stone, Denise Heaps, and LouAnn Ahrens from Boone. After each day, Bill Alley treated his helpers to pizza and beer.
